

Name: Aryanna Cheeseboro

Directions: Briefly outline what you want to say in this upcoming speech, making sure to hit all the points listed in the directions on the syllabus. Please briefly outline what points you want to say in your speech. You can write exactly what you want to say if it will help you, or create bullet points. The creative freedom is entirely up to you. This doesn't have to be in full sentences.

Speech Name: The Superiority Behind Grey's Anatomy

Speech Topic: Why Grey's Anatomy is my favorite TV show.

Am I Going to Use Visual Aids for this presentation?: No

Is your topic relevant to the speech topic for this week?: No

Introduction:

How you want to do your introduction and introduce the topic: I will briefly explain what the show is about and what made me want to start watching.

- Does it have a relevant audience attention grabbing device? Is the central idea of the speech clear and concise? No and yes.

Body of the speech: Grey's Anatomy is a good show not just because it's entertaining, but the scenarios are realistic and are made to resonate with all audiences.

Facts gathered:

1. **Longevity:** With over 20 seasons, Grey's Anatomy is one of the longest-running primetime shows, proving its lasting appeal.
2. **Cultural Impact:** The show has influenced how we see medical professionals and tackles important issues like race, gender, and healthcare.
3. **Character Development:** Audiences connect with characters like Meredith Grey, following their personal and professional growth.
4. **Diversity:** Grey's Anatomy is known for its diverse cast and inclusive storylines, setting a standard for representation in TV.
5. **Streaming Success:** Even after its TV run, the show remains a hit on streaming platforms, attracting new audiences worldwide.

Definite points to make:

Resources Used:

Schneider, M. (2024, May 30). *After 20 seasons in prime time, 'Grey's Anatomy' is one of streaming's biggest hits*. Los Angeles Times.
